Having reviewed both 'disagree' comments, it is clear that the issue arises from social distancing on site at drop off and pick up times.

Action:

- Clear directions for the queueing of Beech Class parents to ensure free flow to the rest of the school site
- Regular reminders to parents to social distance
- Further action *may* need to be taken to further reduce the number of parents on site if the changes to Beech Class queueing don't help.

- Please do raise any concerns you may have about your child with your child’s class teacher, the SENDCo or the headteacher.

I would recommend this school to another parent.

Option	Percentage	Quantity
Yes	98.2%	107
No	1.8%	2
Total		109

I am really pleased to see that so many of you would recommend the school to another parent, for the two that said no, one said they made a mistake and clicked the wrong button and one has only been within our school community since September and as a result feels it is too early to tell.

77% of parents completed the survey and I think you'll agree that the results are positive. Thank you! As always, if there is ever anything that you are worried about or not happy with, please do not hesitate to get in touch – I would much rather work through a situation with you than for you to leave it and it worry you.
