Monthly newsletter.
Announcements of upcoming events.
Class newsletters and updates.
Messages from class teachers.
Notification of awards/certificates.
End of year reports.
Miscellaneous updates from school office.

Celebrations, reminders, useful information from other services and providers.

How you can contact us

Need something else? Please get in touch using the following methods.

Face to Face

Sometimes things are best discussed in person and our class teachers are more than happy to arrange a time to do this. We do however ask, wherever possible, to avoid having these conversations at the start and end of the school day, as these are critical moments where the teacher needs to prioritise the safety and readiness of our children.
If medication is required, speak to the office staff, or email.

Phone

To report an absence, please call before 08:00 if possible.
To give office important updates such as walking home/who is collecting/medical conditions/change of phone number or address etc
To ask to speak with your child's teacher or Headteacher.
Please leave a voice message if staff are unable to take your call in person.

E-mail

For general enquiries please contact: office@cdcs.uk. If communication is urgent, please put URGENT in the subject line. Emails are checked daily during work hours.
